EDUCATION

Louisiana State University (LSU) – Baton Rouge, LA

Expected Graduation: December 2027

Bachelor of Science in Chemical Engineering, Minor in Business Administration

GPA: 4.00

LSU's PRISE (Preparing Resilient Individuals for Success in Engineering) Program Cohort III

- One of 18 students admitted to a selective program tailored to preparing students for a career in prestigious engineering
- Program includes workshops in engineering leadership, communication, career development and advanced critical thinking

EXPERIENCE

Chevron Corporation – Houston, TX

May 2025 – August 2025

Petroleum Engineering Intern

- Delivered ~\$25MM in potential savings by improving oil and gas depletion forecasting and aligning ML outputs with engineering forecasts, improving resource allocation by 7% annually
- Compared depletion modeling techniques across 150+ shale well pads using Chevron's machine learning (ML) platform, improving model predictive power for first year production by 6%, enhancing resource forecasting
- Engineered Python-based data pipelines to meticulously clean, transform, and analyze pad-level performance metrics—spacing, geology, and completion design, improving ML model input/output quality and reducing processing time by 20%
- Transformed raw production data and ML outputs into interactive Spotfire datasets, visualizing key drilling performance indicators, leading to a 10% increase in data-driven decisions within the production forecasting team

LSU Chevron Center – Baton Rouge, LA

August 2024 – May 2025

Team Member

- Served as the first point of contact for 40+ students needing assistance each week, resolving inquiries and ensuring positive student experiences
- Minimized printing turnaround time by 33% by reorganizing printing processes, shrinking wait times from 15 to 10 minutes per customer request, and handling 100+ printings, demonstrating operational efficiency
- Troubleshoot technical issues with poster and 3D print requests, providing personalized support and contributing to a 15% increase in student satisfaction scores with university resources

Best Buy – Baton Rouge, LA

June 2024 – December 2024

Retail Sales Advisor

- Enhanced customer loyalty through retail expertise in recommended tailored tech solutions, increased attachment rate of premium service plans by 25% and personally enrolled 5+ customers per week
- Achieved a 15% increase in revenue and membership sales by surpassing individual sales targets through personal consultative selling, strategic product bundling, and cross functional collaboration with domain-specific teams
- Collaborated with team members to resolve customer issues and optimized checkout flow, cutting queue times by 25%

LEADERSHIP

LSU's Society of Asian Scientists & Engineers – Baton Rouge, LA

April 2024 – Present

Professional Development Chair

- Facilitate career development initiatives, connecting students with a diverse network of STEM professionals and attracting an average of 35 attendees per event, exceeding initial target goals by 40%
- Maintain consistent communication with industry professionals from 5+ Fortune 500 companies to ensure retention and a solid relationship between students and recruiters
- Cultivate strong relationships with more than 10 company representatives to secure sponsorships and resource support, resulting in a 30% expansion of workshop offerings and improved program outreach

Mu Alpha Theta – Baton Rouge, LA

July 2023 – May 2024

President

- Secured over \$10,000 in funding through strategic fundraising initiatives and collaboration with local and national organizations, enabling expanded program activities and resource acquisition
- Managed logistics for large-scale math competitions with over 400 participants, ensuring volunteer coordination, smooth registration, and event scheduling to achieve a 95% satisfaction rate among attendees

SKILLS & HONORS

Programming Languages: Python, VBA

Tools/Frameworks: Microsoft Suite, ASPEN Plus, Spotfire, Power BI, Azure DevOps, Visual Studio Code, SharePoint, Anaconda

Honors: NSF S-STEM Scholar, Shell Oil Company Technical Scholarship recipient, TOPS Scholarship recipient, Flagship Scholars Resident Scholarship recipient, LSU PRISE-NSF S-Stem Scholarship recipient & PRISE Scholar, Louisiana Tiger Legacy Excellence Scholarship recipient, Dean's List (Fall 2024, Spring 2025)
